Our observations of the last Financial Year 2022-23

The BSE Limited ("BSE") had levied a fine of Rs. 25,960.00 on the company for delayed filing of Investor Grievance Report ("IGR") for the quarter ended 31st December 2022 under Regulation 13(3) of the SEBI LODR Regulations 2015 and according to the information, explanation given to us and documents shared with us by the company, it replied in its letter to BSE limited that they had submitted the said report within due timelines on 13th January, 2023 (i.e within 21 days from the end of the quarter) but while filing the XBRL, selection of the financial year in the drop down went wrong due to which the IGR for December quarter, 2022 was not visible on the BSE portal to which BSE has levied the aforesaid fine.

In its waiver application dated 17th February 2023, the company further submitted to the BSE that it is a law abiding company and there has not been any instance of non-compliance in past. But inadvertently, the selection of financial year in the drop down went wrong.

The waiver application was duly submitted to the BSE along with the application processing fees of Rs. 11,800.00 which was under consideration.

Action taken by the company in Financial Year 2023-24 over the above said observation

The company has paid the entire outstanding amount of fine to BSE Limited on 12th March 2024. Accordingly, the default has been made good.
